**Subject:** SEIU Member Question

Hi Peter and Philip.

Thank you for taking the time to go over everything with us. The new program is exciting and seems to provide a great option in lieu of the old "Free" program.

On another note, we got an email today from SEIU who received a question from a member enrolled in the Free College program. She's been enrolled in EGCC for the last three years and has been a member and an employee of one of their state agencies for 17 years. She was recently transferred to another agency that is currently not represented by the union. She only has two classes left. What can she do now? Are there options for her?

Can you provide us with some guidance on how to assist SEIU and this member?

Thank you
